Armanino Consulting Achieves Microsoft Dynamics Gold Certified CRM (Customer Relationship Management) and ERP (Enterprise Resource Planning) Partner Status

San Ramon, Calif. — May 1, 2012— Armanino Consulting (www.amllp.com/dynamics) today announced that it has achieved dual Gold Certified Partner status for both Enterprise Resource Planning (ERP) and Customer Relationship Management (CRM). As a Gold Certified Partner, Armanino Consulting has demonstrated a notable level of industry expertise in selling and implementing Microsoft Dynamics software, providing consulting services and support, and achieving a high-level of customer satisfaction.

"This designation from Microsoft is a testament to the expertise, hard work and dedication of our Microsoft Dynamics consulting team members," said Bruce Kirschenbaum, Armanino Consulting Partner. "We are proud to be recognized as the only Microsoft VAR on the West Coast specializing in supporting the High Tech and Life Sciences industries to achieve both CRM and ERP Gold Certified Partner status."

In a recent customer survey, 100 percent of Armanino Consulting's Microsoft Dynamics clients in the semiconductor, pharmaceutical and medical device industries are satisfied with the firm's work and 94 percent are likely to repurchase Microsoft Dynamics software. In addition to the new dual Gold Certified CRM and ERP Partner designation, Armanino Consulting has been a Microsoft President's Club Member since 2008. The firm's clients have won four prestigious Customer Excellence Awards at Convergence, the Microsoft Dynamics user group convention since 2009, including the 2012 Industry Excellence Award.

Armanino Consulting sells, implements and supports Microsoft Dynamics AX, Dynamics GP, and Dynamics CRM. The firm is a member of the Accounting Today Top 100 VAR list, which consists of the top 100 resellers by revenue and Armanino Consulting was one of only a few of California firms included.

About Armanino Consulting
