Armanino Consulting Named Presenter at Microsoft's Global High Tech Summit

SAN RAMON, CALIF., February 7, 2011 — Armanino Consulting (www.amllp.com/consulting) today announced that it will present a chalk talk at Microsoft's Global High Tech Summit on February 10, 2011. Armanino Consulting and the Microsoft Dynamics team are also Silver Sponsors of this popular Silicon Valley event, the theme of which is "Navigating the New Normal."

A large Microsoft Dynamics partner in the United States, Armanino Consulting will be moderating an ERP (enterprise resource planning) solution panel discussion titled, "Doing More for Less." Panelists include Network Equipment Technologies.

"We are excited to be a part of this annual Microsoft experience that brings together technology companies from throughout the world," said Chris Moore, partner-in-charge of Microsoft Dynamics at Armanino Consulting. "The networking and learning opportunities are phenomenal, and we look forward to sharing our industry expertise with the Global High Tech Summit attendees."

Armanino Consulting has more than 18 years of experience developing solutions for the technology industry and is a strategic industry development partner for Microsoft Dynamics AX for High Tech Industries, a Certified for Microsoft Dynamics (CfMD) industry solution. As the largest consulting and CPA firm headquartered in California, Armanino McKenna also is a member of Microsoft's 2010 President's Club, an award presented to the top five percent of Microsoft value-added resellers in the United States.

"Our partners are a critical part of our success in delivering solutions that address the specific needs of manufacturers in the high tech industry," said Drew Gude, director, U.S. High Tech and Electronics Industry Solutions, Microsoft. "Companies such as Armanino Consulting recognize that, by combining the power and ease of use of the Microsoft Dynamics AX platform with industry-specific solutions for high tech manufacturers, our customers ultimately benefit."

Armanino Consulting has been a Microsoft Gold Certified Partner for the past eight years and has helped hundreds of clients realize the benefits of Microsoft Dynamics AX, Dynamics GP and Dynamics CRM projects, around the world.
