Armanino McKenna LLP ranked top VAR in Nation

NEW YORK, April 21, 2009 -- Accounting Technology, a magazine published monthly by SourceMedia, is pleased to announce that Armanino McKenna LLP, CPAs & Consultants, has been selected to its VAR 100 list for 2009.

The VAR 100 lists the top 100 resellers by revenue for 2008. Armanino McKenna is one of only a handful to make the list from California. The list is chosen from organizations that center their practices on the sale and implementation of mid-market accounting software.

Armanino McKenna implements and supports Microsoft and other leading software packages. Tom Mescall, Partner In-Charge of the Consulting Practice for Armanino McKenna says, "We are proud to make the list. We have made great strides over the past couple of years helping companies automate challenging areas like revenue recognition, multi-entity consolidations, and electronic banking integration." Armanino McKenna focuses on delivering streamlined business processes while discerning cost savings and helping businesses grow by leveraging business software. Tom said, "These solutions have made us a leader in the market and it is great to be recognized in the VAR 100."

In addition to being ranked in the VAR 100, Armanino McKenna is the largest Microsoft Dynamics™ Partner in Northern California, a Microsoft Gold Certified Partner for over 7 years, Microsoft rated #1 training instructors in the United States, a 2008 Microsoft President's Club Member (awarded to the Top 5% of Microsoft VARs in the United States) and an exclusive dedicated NorCal Training Center for Microsoft Dynamics GP.
