Armanino McKenna LLP Partners with Kintera To Provide Specialized Software to Nonprofit Client Base

*Firm's Accounting Solutions Department to Offer Kintera FundWare
Software and Expert Support to Nonprofit Community*

(SAN RAMON, CA), July 26, 2006 — Armanino McKenna LLP (www.amllp.com), the largest accounting and business consulting firm based in California, announced it has partnered with another nonprofit software company, Kintera Inc., to provide Kintera FundWare accounting solutions to its nonprofit client base.

Armanino McKenna is a leader in serving the accounting and consulting needs of the nonprofit community. The firm offers multiple accounting solutions and support specifically designed for nonprofit organizations including MIP, Cyma and Blackbaud software.

“Many of our clients are currently using Kintera FundWare and as a result, we know the software and have the in-house staff and expertise to support it so it was a natural to add to our existing product lines,” said Esther Ratteree, Partner for Armanino McKenna. “Kintera FundWare is a great addition to our solution portfolio and we look forward to supporting our client base as a result. These robust offerings truly position Armanino McKenna as a source nonprofits can turn to find the right solution for their organization.”

Adding Kintera FundWare to the product line of Armanino McKenna's accounting solutions practice provides the firm's existing and potential client organizations with a proven fund accounting solution for their accounting, budgeting and reporting needs. In addition, nonprofit organizations benefit from Armanino McKenna's support services and expertise in nonprofit accounting.

Built on 30 years of fund accounting experience, Kintera FundWare accounting software is designed specifically to meet the accounting and reporting needs of nonprofits and governments. Kintera FundWare unites accounting, budgeting and reporting tools with an impeccable audit trail to create an award-winning product suite that enables users to easily produce GASB and FASB financial reports.

“Armanino McKenna’s expertise in working with Kintera FundWare means that nonprofit organizations can benefit from the firm’s extensive training, implementation and support services,” said Steve Johnson, vice president of Kintera. “This partnership helps nonprofits benefit from both the technology and people resources and expertise of two great companies.”

About Armanino McKenna LLP

Armanino McKenna LLP (www.amllp.com) is the largest California-based accounting and consulting firm and a top-100 firm nationally in terms of annual revenue. About Kintera, Inc.

Kintera®, Inc. (NASDAQ: KNTA) provides an online solution to help nonprofit organizations deliver The Giving Experience™ to donors – including giving convenience, financial transparency, feedback about the social impact of their gifts, and a sense of belonging and appreciation. More than 15,000 accounts in the nonprofit, government and corporate sectors use Kintera’s “software as a service” innovations, including the Friends Asking Friends® fundraising program and Kintera Sphere™, an enterprise-grade software platform that provides a secure, scalable and reliable system for social constituent relationship management (CRM), enabling organizations to drive all interactions based on comprehensive knowledge of constituents. Additionally, Kintera FundWare® provides award-winning financial management software developed for nonprofit organizations and governments. For more information about Kintera’s software and services, visit www.kintera.com.

Kintera, Kintera Sphere, Friends Asking Friends, The Giving Experience, GivingFund, and FundWare are either registered trademarks or trademarks of Kintera, Inc. in the U.S. and/or other countries.

Forward-Looking Statements

In addition to historical information, this press release contains forward-looking statements (including, without limitation, express or implied statements regarding the adoption of software solutions by nonprofit organizations) that involve risks and uncertainties. These forward-looking statements represent our estimates and assumptions only as of the date hereof. These statements reflect our current views with respect to future events and are based on assumptions and subject to risks and uncertainties. These statements involve known and unknown risks, uncertainties and other factors which may cause our actual results, performance or achievements to be materially different from any future results, performances or achievements expressed or implied by the forward-looking statements. These risks and uncertainties include, without limitation: our limited operating history; our history of losses; our dependence on increased acceptance by nonprofit organizations of online fundraising; lengthy sales cycles for major customers; our need to manage growth; risks associated with accounting for and processing large amounts of donations; the rapidly changing technologies and market demands; and other risks identified

in our filings with the Securities and Exchange Commission. Given these uncertainties, you should not place undue reliance on these forward-looking statements.
